 Ambassadors Bringing Community Together

# ENRICHING OUR COMMUNITY

We are **dedicated to enriching our community** by creating memorable experiences in our quaint town, for Oakdale residents and visitors alike. Enticing people into Oakdale means more support for our local businesses, while enhancing the feeling of good old-fashioned, small-town community and togetherness.

Oakdale Enrichment Society is an organization created by community ambassadors with the purpose of creating fun and exciting events and opportunities for Oakdale residents. We are a collaborative initiative between local private sector businesses and volunteers to create fun and exciting events and opportunities for Oakdale residents to further enjoy the town in which they live, work, and play.

We invite you to make a donation to help contribute toward the celebration of our town! Our community events are designed to celebrate life, community, and the hometown in which we live, work, and PLAY!

**Our program delivers measurable results to our community and sponsors alike. When you become an individual or corporate sponsor, you are impacting not only the lives of our local residents but the welfare of the community as a whole.**
